3500/3700 Color Fuser Available at Metrofuser

May 16, 2006- Roselle, New Jersey- HP LaserJet printer parts provider Metrofuser has introduced a remanufactured fuser for the HP 3500 and 3700 printers. The availability of the fuser will help reduce costs as it offers an OEM functionality that is competitively priced.

The fuser is available for the economical repair and return or the convenient advance exchange service options. The (RM1-0428) 3500/3700 fuser and (Q3655A) maintenance kit are in stock ready for same day shipping. They are backed by a warranty that is twice as long as the OEM's covering 6 months of usage.

"We're excited to introduce this fuser to service companies and resellers as we look forward to improve their margins and keep them updated to the newest products in the industry." said Will DeMuth "This offer comes to complement Metrofuser's broad line of color fusers and maintenance kits for Hewlett Packard machines."

About Metrofuser

Metrofuser remanufactures and distributes laser printer parts. The company offers a broad array of laser printer products including fusers, maintenance kits, boards and paper handling assemblies.
