Metrofuser Taps Ken Lang as Director of Sales Veteran to Lead Metrofuser's North America Sales Operations

September 1, 2007--Roselle NJ—Laser printer parts provider, Metrofuser (www.metrofuser.com), has promoted Ken Lang to Director of Sales of its North America Operations.

Lang joined Metrofuser in 2005. With 5 years of experience, Lang most recently served as National Account Manager, where he was responsible for revenue and margin growth for enterprise, mid-market sector businesses. During his tenure, he led the company in new business development and focused on driving significant customer relationships.

"Mr. Lang's diverse client background and excellent management skills are exactly what we've been looking for in the professional to lead our sales team. Promoting him to lead our sales team will enable him to combine his 8-year track record in sales with his strong leadership skills to bring our sales team's performance to even greater heights," said Todd Katz

Ken will develop and manage a high-performance sales team while executing the sales team's new business strategy with a emphasis on the *emerging regional warehouses*. Lang will lead Metrofuser's sales professionals and the company into its 5 year anniversary.

"Metrofuser is an impressive team of industry leaders that place product quality, paramount. I'm excited to be part of the firm that is at the apex of remanufactured parts and distribution industry," said Mr. Lang

Ken has a degree in Finance from The College of New Jersey.

About Metrofuser

Metrofuser remanufactures and distributes laser printer parts. The company offers a broad array of laser printer products to its channel partners from its Eastern and Western distribution hubs including fusers, maintenance kits, boards, and paper handling assemblies.
